

MAKESHIFT EXCERPT

CALALILY and TRISHA sit at the campfire.

CALALILY

You're really not scared of anything, are you?

TRISHA

Nope. Want to hear a list of things I'm not scared of?

CALALILY

Yes.

TRISHA

OK, uhm...bugs, rodents, big dogs, bears, sharks, loud mysterious noises, the dark, gangs, guns, plane crashes, being buried alive, murderers, heights, public speaking, snakes, needles, blood, fire. Uhm...

CALALILY

What about death?

TRISHA

Nope.

CALALILY

Being alone?

TRISHA

Nope.

CALALILY

Loss? Disappointment? Failure?

TRISHA

Nope, nope, and nope.

Beat. They both take this in. It's upsetting.

TRISHA

(quietly)

Pretty cool, huh?
